"If you are working with social work groups or want to work with them this is the organization and these are the colleagues for you."
-Lawrence Shulman

"I cannot imagine my life without a connection to IASWG, annual symposia, or group work practice."
-Student IASWG Member

"IASWG's membership, no matter how accomplished, is down-to-earth and represents everything that I envisioned social workers to be when I first entered the field. For me, IASWG has been an inspiration, a support, and a constant reminder of what it means to be a real social worker."
-Andrew Malekoff, Editor-Social Work with Groups
